

DOMINICAN VOLUNTEERS USA

DOMINICAN VOLUNTEERS USA seeks enthusiastic, passionate and concerned women and men for an experience of a lifetime. DVs commit to a year of service (program starts in August), work on staff in diverse and exciting ministries across the country, and live in intentional Dominican community. They receive a stipend, room and board, and health insurance, and experience regular gatherings and retreats.

If you know of someone who would be a fit within our program, we invite you to nominate them by returning the following information to us. Feel free to recommend multiple individuals and/or to nominate for a particular community and/or ministry. All nominated individuals will receive an application packet in the mail with an introduction letter and invitation to apply, along with special recognition indicating your nomination.
